Why not join our run, jog or walk through the town and surrounding countryside following the route shown opposite?

This is an event for the whole family, including the dog! You can come in running gear, fancy dress or just comfortable clothing for the weather.

All those completing the 8km long course, will receive a certificate acknowledging their efforts. The names of the winning man, lady and junior will be displayed in the trophy cabinet in the Moot Hall throughout the year.

Enter at the Moot Hall between 10.00 and 10.45am. Registration fee is £4, reduced to £1 for juniors (under 14 years on the day). Each registration by a junior must be countersigned by the adult who will be responsible for the safety of the entrant during the event.
